

DRIVER ALERT

OPERATOR NEWS

HELP US SERVE THE PUBLIC BETTER

Effective Immediately

Marketing is conducting a survey of the public on our buses and ferries and requests your assistance. Riders are invited to take the survey before Wednesday, Sept. 18, and return it in the following ways:

- Customer Service Office at the BTC
- A KT bus operator
- A box on our ferries
- Kitsap Regional Library branches

If a customer returns the survey to an operator, the operator should place it in an envelope and return the envelope to Dispatch at the end of their shift.

We would appreciate it if operators could make an announcement on trips to let customers know about the prize drawing if they fill out and return the survey. They do not need to fill out the survey again if they filled it out online. The survey is available online by going to KitsapTransit.com and clicking on the banner on the home page.
